

RALLYS EQUITIES PRIVATE LIMITED

Record Retention Policy

Record Retention Policy

Version and Regulatory Basis

This policy aligns the brokerage's records management with the following instruments (as applicable and amended):

- Securities and Exchange Commission of Pakistan (AML/CFT) Regulations (2018, and later amendments) — minimum record keeping obligations and CDD retention.
- Pakistan Stock Exchange (PSX) Rulebook and Minimum Back-Office Standards (BBO Standards).
- CDCPL / NCCPL Regulations (custody, settlement and reconciliation records).
- Electronic Transactions Ordinance, 2002 (validity of electronic records and electronic originals).
- Companies Act, 2017 and Income Tax laws (statutory financial and tax records retention).

Purpose

To define mandatory minimum retention, secure storage, retrieval, legal hold, and secure disposal procedures for all brokerage records — electronic and physical — so the firm remains compliant with SECP, PSX, NCCPL/CDC, tax authorities and other competent authorities; supports dispute resolution; enables internal and external audits; and protects client privacy and business continuity.

Scope

The following five types of records are to be retained by the company:

1. Back-Office Records (minimum for 05 years)
2. Administrative Correspondence (minimum for 05 years)
3. Fiscal Correspondence (minimum for 05 years)
4. General Correspondence (minimum for 05 year)
5. Other Correspondence (minimum for 05 year)

A. Back-Office Records

Rallys Equities (Pvt) Limited Back-Office Records include all Trading, Financials and Other records.

B. Administrative Correspondence

Rally's Equities (Pvt) Limited Administrative Correspondence includes, though is not limited to, clarification of established company policy, including holidays, time card information, dress code, work place behavior and any legal issues such as intellectual property violations. All emails with the information sensitivity label Management only shall be treated as Administrative Correspondence.

C. Fiscal Correspondence

Rally's Equities (Pvt) Limited Fiscal Correspondence is all information related to revenue and expense for the company.

D. General Correspondence

Rally's Equities (Pvt) Limited General Correspondence covers information that relates to customer interaction and the operational decisions of the business. The individual employee is responsible for email retention of General Correspondence, for which he must seek assistance of the IT department.

E. Other Correspondence

Rally's Equities (Pvt) Limited Other Correspondence is by far the largest category and includes personal emails, requests for recommendations or review, emails related to product development, updates and status reports.

Retention Schedule

All retention periods below are the minimum. Each retention entry is interpreted as: (later of): (i) period shown; (ii) end of customer/business relationship; (iii) resolution of audit/investigation/litigation; (iv) expiry of legal hold

Record Type	Minimum Retention	Comments / System of Record
Customer onboarding/KYC, identity documents, beneficial ownership, account opening forms	5 years after account closure	Maintain originals or ETO-compliant electronic copies; CRM/DMS is SoR
Transaction records (order tickets, order audit trail, executions, allocations, confirmations, contract notes)	05 years	OMS/EMS & BBO; timestamped to seconds; immutable archive
Settlement & ledger records, client funds movement, bank reconciliations	05 years	Back-office accounting systems; link to NCCPL/CDC references
Books of account, statutory financial records, audit working papers	05 years	ERP, DMS; keep board packs and audit evidence
Tax records, challans, returns	5 years after the relevant tax year	Retain until finalization of appeals/proceedings if any
AML monitoring outputs (alerts, investigations, STRs/CTRs working files)	5 years from closure or filing date	AML case management system; preserve justifications & approvals
Client communications (email, chat, portal messages, RM notes)	5 years	E-comms archive & journaling; tamper-evident retention
Voice recordings — dealing lines & investor complaint lines	6 months minimum; recommend 2 years for dealing lines where	Voice recording system with indexed retrieval; retain complaint-related calls until complaint closure

	feasible	+ 6 months
CCTV (trading floor, cash counters)	90 days minimum	Extend on incident/legal hold; NVR/VMS SoR
IT and security logs (access, admin, trade system logs)	1 year online + 2 years nearline (min)	SIEM/log archive; critical security events 3+ years recommended
Vendor contracts, SLAs, due diligence evidence	5 years after contract expiry	Contract repository/DMS
Backups	As per backup retention tiers in §8; ensure immutability window meets record obligation	Backup repository & DR site

Recovering Deleted Email via Backup Media

Rallys Equities (Pvt) Limited maintains backup from the email server and once a quarter a set of External HDD is taken out of the rotation and they are moved off-site. No effort will be made to remove email from the off-site backup.

Enforcement

Any employee found to have violated this policy may be subject to disciplinary action, up to and including termination of employment.

Disposal and Destruction

- Electronic: Secure wipe/cryptographic erase per NIST 800 88 or equivalent; retain destruction logs for 7 years.
- Physical: Cross-cut shredding; certificates of destruction from vendors retained for 5 years.

Records of Disposal: Maintain a secure Disposal Register (what, when, by whom, method, legal hold check)

Roles and Responsibilities

- Board: Approve policy and ensure resourcing.
- CEO/COO: Ensure implementation.
- Head of Compliance: Policy ownership, review, legal-hold initiation and liaison with SECP/PSX/FMUs.
- CISO/IT: Implement technical controls, backups, and restore testing.
- Records Owners (HoDs): Classify records, maintain SoR mapping, ensure retention rules.
- All Staff: Create records in approved systems and comply with holds/policies.

Monitoring, Audit and Reporting

- Quarterly spot-checks; Quarterly internal audit; remediation tracking.
- Maintain a compliance dashboard (retention adherence, legal holds, pending disposals, DR test results).

Training and Awareness

Quarterly mandatory training for all staff; targeted sessions for front-office, AML staff, IT and compliance

Exceptions

Exceptions require written approval from Head of Compliance and CEO with compensating controls and time-bound remediation
